# DEGREES CONFERRED BY POSTSECONDARY INSTITUTIONS

## IN SOUTH CAROLINA

ACADEMIC YEAR 1987

### Introduction

This tabulation of academic degrees and other awards has been compiled by the South Carolina Commission on Higher Education primarily as an aid to institutions and to state-wide planning for postsecondary education. The data are tabulated from information furnished to the Commission and to the Center for Education Statistics on the Completions Form of the Integrated Postsecondary Education Data System.

All institutions which reported awards in a given subfield are listed immediately following the entry for that subfield. State-supported institutions are listed first, followed by private, or independent colleges. A zero (0) indicates that a program was offered, but that no degrees were conferred during that year. A blank space indicates that the program was not offered at that level.
